A. E. REDDOCH.

For Town Marshal.

I hereby announce myself a candidate for Town Marshal, at the municipal election, in the Town of Nogales, Arizona, on Monday, May 25th, 1914.

A. DUMBAULD.

For Town Marshal.

Frank J. Taylor hereby makes announcement that at the Municipal Election, in the Town of Nogales, Arizona, on the Fourth Monday in May, he will be a candidate for Town Marshal, subject to the will of the people.

FRANK J. TAYLOR.

For City Councilman.

I hereby announce myself as a candidate on an Independent Ticket, for city councilman, at the municipal election, in the town of Nogales, Arizona, on Monday, May 25th, 1914. I most respectfully solicit your vote.

Notice of New Registration.

Registration for the November election began at the office of the County Recorder on the first Monday in May, and will continue until ten days before the county primary election, or until August 28th, at which time the books will be closed for seventeen days and no registrations will be made until September 15th, at which time the books will again be open and registering continue until October 15th, when it will be closed until the first Monday in May, 1916.

The qualifications of electors are as follows: Must be twenty-one years of age or over; a citizen of the United States, either by birth or naturalization; a resident of Arizona for one year prior to election, and of the county and precinct for thirty days; must be able to read the Constitution of the United States in the English language and write his or her name, unless physically unable to do so.

If elector is a naturalized citizen or if naturalized by father's naturalization he must present his or his father's second or final papers to the registration officer, else he cannot be registered.

The above applies to women as well as men, except that women of foreign birth become naturalized citizens upon their marriage to citizens of the United States, either by birth or naturalization, or if already married, the naturalization of the husband carries with it citizenship of the wife.

A person must register in the precinct where he or she resides, or hold a certificate of registration to enable him or her to vote at any primary or general election. The law by which a person, if not on the register, could register at the polls, has been omitted from the code now in force, and now in order to vote at any primary or general election the elector's name must appear on the register of the precinct wherein he or she resides. If, after registering, the elector moves to another precinct or county, he or she must cancel his or her first registration and then re-register in the precinct or county where he or she then resides. A person must not register more than once, without first cancelling his or her prior registration. To register more than once is a criminal offense

and subjects the offender to a fine in a sum not exceeding one thousand dollars, or imprisonment not exceeding five years, or both.

There is ample time for each elector to register, provided that every elector does not put it off until the last day. In order to facilitate the work in the office as well as to avoid a stampede during the closing days of registration, I would request and urge that every elector register as soon as possible.

PHIL HEROLD,
County Recorder.

cultivate a habit of economy, but not stinginess. You know that below a certain price it is impossible to manufacture GOOD HARDWARE of any kind. When you're offered an article for less than we ask it is inferior. We don't handle poor stuff, yet our prices will bear comparison with any other house.
